Company:

Ray Agro & Petroleum Ltd. is a third-generation family-owned and operated ag-retailer, supplying agricultural inputs and consulting support in the Stony Plain, Leduc, and Evansburg areas. Founded in 1957, we remain proud of our contributions to the agricultural communities in which we have operated for the past 65 years. We have built strong, multi-generational relationships with our producers, and we remain committed to providing client-focused solutions to today's challenges. Client dedication and care is the core of our business, and we are proud to be a part of our clients' success. Our efforts and achievements have been rewarded with producer loyalty and an excellent reputation as a trusted partner in the region. Our independence allows us to be nimble in adjusting to market conditions and customizing solutions. Our team lives in the communities we serve and are dedicated to customer care excellence. Contact us if you would like to be part of our team.

Description: Ray Agro and Petroleum Ltd. is currently seeking an energetic individual with a passion for agriculture, a desire to make a difference, and a thirst for knowledge.

Responsibilities:

- Develop and maintain relationship with growers by providing sound agronomic advice.
- Collect soil samples and perform crop scouting.
- Provide recommendations on nutrient management, crop protection tools and seed varieties.

- Conduct on-farm visits to new and existing customers within all three market territories we serve.
- Develop crop plans with growers and forecast input requirements.
- Maintain well organized, detailed records.
- Stay informed on current agronomic research, new products and practices.
- Assist with the development of marketing and sales initiatives.

We are seeking an individual with:

- Degree or diploma in agronomy.
- Certified Crop Advisor designation, or willingness to obtain would be considered an asset.
- Strong communication and customer service skills.
- Self-motivation and a passion for agriculture.
- Positive and professional attitude.
- Proficiency in MS Office applications.
- Valid driver's license and able to provide driver's abstract.
- Ability to lift 50lbs, perform field work and travel around the territory via company vehicle.

We appreciate all applications, but only those selected will be contacted.
